Items to remember

- Make sure to eat a good meal before our practice at 12:00. I would bring around \$20.00 or so for food and snacks at the festival. Remember, the more money you bring the more you will spend.
- Hydrate, hydrate, hydrate! It will be warm in the stands so please make sure you are drinking plenty of water. We will perform as the sun is setting but I don't want anyone to overheat so please do your part!
- Our arrival time back at the high school is just an estimate. Please be in communication with your parents about our arrival time back. We will post where we are on Remind to help your parents gauge when to come and pick you up.
- We would like to invite all of our parents to attend the festival and cheer us on as we perform at 6:00 p.m.
